

ANGELS DIAMOND AWARD FROM THE WORLD STROKE ORGANISATION 2023

WSO ANGELS AWARDS
Committed to quality improvement in stroke care

Diamond Status
2023

It is with immense joy and pride that I share the remarkable news that our esteemed institution has been honored with the prestigious Angels Diamond Award by the World Stroke Organisation this year.

This award is a testament to the unwavering commitment, expertise, and exceptional contributions made by Dr. John K John, Dr. Anil Kumar Sivan, Dr. Joban, Dr. Jerry, and the entire Neurology team in advancing stroke care and awareness. The Angels Diamond Award is a prestigious acknowledgment from the World Stroke Organisation, recognizing our institution's outstanding efforts in the field of neurology and stroke management. This achievement reflects the dedication and hard work of each member of the Neurology team.

To all our dear friends in the Neurology department, hearty congratulations on this well-deserved honor! Your commitment to excellence and compassionate care has not only impacted lives but has also earned global recognition.

This award not only celebrates local success but also highlights our institution's global impact in the critical area of stroke care. It is a moment of pride for each member of our healthcare community.

CELEBRATING THE ACHIEVEMENTS OF OUR STARS! NEET PG EXAM RESULTS

Dr. Cinderella Xson Dr. Cathleen Theresa Jacob Dr. Ram Bhaskar

of medical knowledge is truly commendable.

Dr. Cathleen Theresa Jacob, Dr. Cinderella Xson, and Dr. Ram Bhaskar have not only excelled academically but have also showcased their compassion and commitment to patient care during their time at BCMCH. Their sincere efforts, dedication to healing, and drive to make a positive impact on the lives of patients have set them apart as shining examples of what it means to be a part of the Believers community.

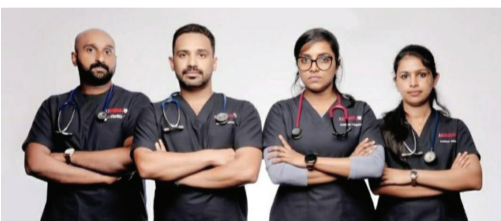

As they embark on this new chapter of their medical journey, we extend our heartfelt wishes for a future filled with success, growth, and accomplishments. May their knowledge, skills, and compassion continue to blossom, enabling them to touch the lives of many and bring healing and hope to those in need.

Dr. Cathleen Theresa Jacob, Dr. Cinderella Xson, and Dr. Ram Bhaskar's journey is an inspiration to all, reminding us of the incredible potential that lies within each individual. Their success is a testament to their unwavering dedication and the nurturing environment that Believers Church Medical College Hospital provides.

It is with immense pride and joy that we share the wonderful news of the remarkable achievements of our own shining stars: Dr. Cathleen Theresa Jacob, Dr. Cinderella Xson, and Dr. Ram Bhaskar. These exceptional individuals have earned their PG admissions in the most prestigious medical colleges across India, marking a significant milestone in their medical journey.

The journey to securing PG admissions is no small feat, and these talented individuals have demonstrated unparalleled dedication, hard work, and excellence throughout their tenure at Believers Church Medical College Hospital. Their commitment to learning, growth, and the pursuit

Celebrating the Success of Our Fourth Batch of Masters in Emergency Medicine MEM Residents!

It is with great pleasure and a sense of accomplishment that we announce the successful completion of the course by our fourth batch of Masters in Emergency Medicine residents - the batch of 2020. They have not only shown exceptional dedication and perseverance but have also displayed exemplary skills in their field. As we mark this milestone, we cordially invite you to join us in the Graduation Day program, which will be held on Tuesday, August 1, 2023, in the Central Courtyard.

This year has been an exceptional one for Believers Hospital, as we have been crowned the best training site among the 20 institutes that George Washington University partners with in India. This recognition is a testament to the high standard of education and training we provide, as well as the commitment of our faculty to nurturing future emergency medicine specialists.

Our residents have not only excelled in their academic pursuits but have also demonstrated their skills in practical scenarios. They have secured the highest marks in both theory and practical

exams, reaffirming the exceptional quality of education they receive at Believers Church Medical College Hospital. Moreover, their hard work and dedication to research have earned them the prestigious 'Best Thesis' award.

I am delighted to extend a heartfelt invitation to each one of you to join us in celebrating the graduation ceremony of our residents. Your unwavering support and guidance throughout their journey have been instrumental in shaping their careers and have contributed significantly to their achievements. This occasion is a reflection of the collective efforts of our esteemed faculty members and a moment of immense pride for all of us.

The Graduation Day ceremony will commence at 3 pm in the Central Courtyard. I humbly request you to wholeheartedly join us in celebrating this momentous occasion and contribute to the joy and pride of our graduands. Your presence and encouragement will undoubtedly inspire and motivate our graduates as they embark on the next phase of their professional journey.

Let us come together to honor the hard work, dedication, and excellence displayed by our fourth batch of Masters in Emergency Medicine residents. This event is not only a celebration of their accomplishments but also a reaffirmation of our commitment to delivering high-quality medical education.

Looking forward to meeting each one of you at the graduation ceremony and rejoicing in this momentous occasion!

BELIEVERS HOSPITAL WINS VOICE OF HEALTH STROKE INNOVATION AND EXCELLENCE AWARD - BEST TELE STROKE SERVICES OF THE YEAR

In a momentous achievement, Believers Church Medical College Hospital (BCMCH) has been honored with the prestigious Voice of Health Stroke Innovation and Excellence Award for "Best Telestroke Services of the Year."

This esteemed award was presented by Mr. Rajeev Arora, Chairman of the Quality Assurance Authority of Gujarat, in a ceremony graced by the presence of the Honorable Health Minister of Gujarat, Rushikesh Patel. The event took place on October 27, 2023, marking a significant milestone for BCMCH.

The recognition underscores BCMCH's commitment to innovation and excellence in telestroke services, a vital component in providing timely and advanced healthcare solutions. The institution's dedication to leveraging technology for stroke intervention has set a benchmark in the healthcare industry.

The Voice of Health Stroke Innovation and Excellence Award is a testament to BCMCH's commitment to pushing boundaries, embracing innovation, and providing exceptional telestroke services. We extend our heartfelt congratulations to Dr. Abel K Samuel, Dr. Anil Kumar Sivan, and the entire BCMCH family for this outstanding achievement.

HEARTY CONGRATULATIONS to the Department of Pharmacology - India's No.1 ADR Monitoring Centre!

We are thrilled to announce and celebrate a remarkable achievement by our very own Department of Pharmacology. In a proud moment for our institution, the Department has been recognized as the No.1 ADR Monitoring Centre in India. This recognition comes from the esteemed Pharmacovigilance Program of India (PVPI), under the Ministry of Health, Government of India.

This achievement is not just a feather in our cap; it's a testament to the unwavering commitment, dedication, and excellence of the entire team in the Department of Pharmacology. Their tireless efforts in monitoring Adverse Drug Reactions (ADRs) have not only contributed to patient safety but have also set a benchmark for pharmacovigilance in the country.

Dr. Shwetha, a valued member of our team, represented us at the prestigious program organized by PVPI. Her participation online, on our behalf, symbolizes our institution's dedication to staying at the forefront of

pharmacovigilance.

This achievement reflects not only the Department's expertise but also the collaborative spirit of our institution. It highlights the positive impact we are making on healthcare by actively monitoring and reporting adverse drug reactions, thereby contributing to the safety and well-being of patients across the nation.

As we bask in the glory of this remarkable achievement, we extend our heartfelt congratulations to every member of the Department of Pharmacology. Your dedication to patient safety and pharmacovigilance has not only earned us the title of No.1 in India but has also strengthened our commitment to excellence in healthcare.

With this accolade, we look forward to even greater strides in the field of pharmacovigilance, patient care, and medical research. Together, we will continue to make a positive impact on healthcare in India and beyond.

Proud Achievement: Our College Recognized as a Top 10 Promising Medical College

We are thrilled to announce the breaking news that our esteemed medical college has been chosen as one of the Top 10 promising Medical Colleges in the country by Higher Education Review. This prestigious recognition reflects our commitment to excellence in medical education and our relentless pursuit of providing high-quality healthcare. Join us as we celebrate this remarkable achievement and reflect on the collective efforts that have propelled us to this esteemed position.

Being selected as one of the Top 10 promising Medical Colleges in the country is a testament to the dedication, hard work, and unwavering commitment of our faculty, staff, and students. This recognition affirms our position as a leading institution in the field of medical education and highlights our continuous efforts to deliver outstanding healthcare services.

At our medical college, we place a strong emphasis on providing a comprehensive and holistic education to our students. Our curriculum is designed to nurture their intellectual growth, clinical skills, and ethical values, enabling them to become competent and compassionate healthcare professionals. This recognition validates our commitment to offering quality education that equips our students with the knowledge and skills necessary for success in the medical field.

Our recognition as a Top 10 promising Medical

College is a result of the collective effort of our faculty, staff, and students. Their dedication to excellence, innovative teaching methods, and tireless commitment to advancing medical knowledge have contributed to our institution's growth and success. This achievement is a testament to the collaborative spirit and shared vision that permeates our college community. As a Top 10 promising Medical College, we have the privilege of inspiring and shaping the next generation of healthcare professionals. This recognition serves as a source of motivation for our students, encouraging them to strive for excellence and make a positive impact in the medical field. It reinforces our belief in their potential and reaffirms our commitment to providing them with a nurturing environment to thrive academically and professionally.

While this recognition is undoubtedly a milestone in our college's journey, it also serves as a reminder that our pursuit of excellence is ongoing. We remain committed to further enhancing our educational programs, expanding our research endeavors, and continuously improving our healthcare services. This recognition motivates us to strive even harder and explore new frontiers in medical education and patient care.
