

Celebrating a Decade of Excellence: 10th Foundation Day of Believers Church Medical College Hospital

Celebrating Onam with Joy and Unity: Anatomy Department's Festive Delight

The 10th Foundation Day of Believers Church Medical College Hospital is a celebration of dedication, commitment, and a promise for the future. We invite you to be part of this momentous occasion, as we reflect on our journey, acknowledge our accomplishments, and set our sights on a future filled with promise and possibilities.

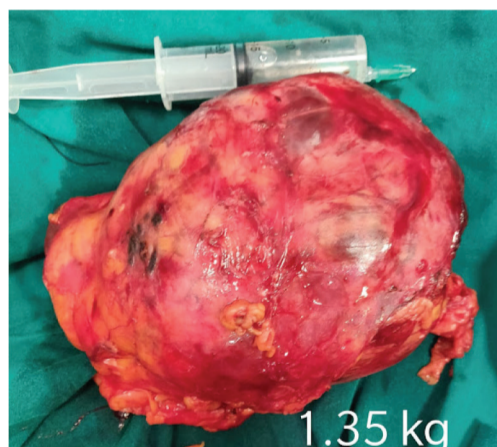

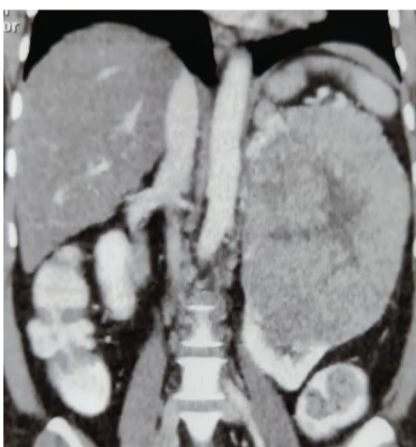

Your presence is not just an acknowledgment of the past but a commitment to the future of healthcare excellence. Let us come together to honor the past, celebrate the present, and embrace the bright future that awaits us. With gratitude and anticipation,

The Anatomy Department's Onam celebrations were more than just an event; they were a reflection of the values that define our institution. The spirit of unity, tradition, and togetherness that permeated these celebrations is a testament to the richness of our cultural tapestry. As the echoes of music, laughter, and shared experiences linger, we are reminded of the importance of celebrating our diversity

and coming together as one big family. Through the celebration of Onam, the Anatomy Department not only celebrated a festival but also strengthened the bonds that make our institution a warm and vibrant community. In the tapestry of life, such celebrations are the threads that weave memories and relationships that last a lifetime.

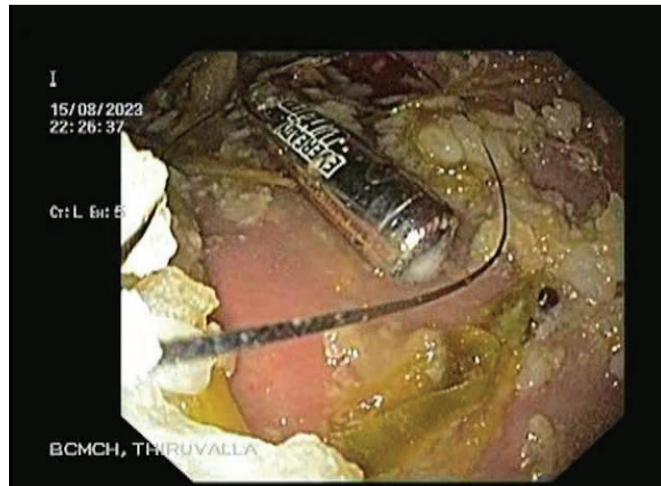

A Remarkable Medical Triumph! multidisciplinary team approach

In a testament to unwavering faith, trust, and exceptional medical expertise, we are thrilled to share the success of a groundbreaking surgery at Believers Church Medical College Hospital. This remarkable achievement is a testament to our commitment to providing cutting-edge care and embracing challenging cases that others might shy away from. Mrs. XX, a courageous 68-year-old, arrived at our Nephrology & Urology OPD with a complex medical challenge - a large mass engulfing the upper pole of her left kidney. The radiological impressions were intricate, involving the adrenal or renal origin and extending to the tail of the pancreas, spleen, and left colon. Her elevated blood pressure led to further evaluation by our Endocrinology team, under the guidance of Dr. Finney, for suspected Pheochromocytoma. The complexity of the case prompted the consultation of Dr. Sujith Philip from the Gastro Surgery department. Working together, our multidisciplinary team embarked on a mission to provide the best possible outcome. The expertise and

collaboration exhibited during this time were exceptional. The surgical procedure, performed by our Urology team, encompassed a Radical Nephrectomy and Adrenalectomy. The challenges were considerable, with the mass adhering to adjacent structures. However, through skillful hands and a collaborative spirit, the mass was removed while preserving the integrity of the contiguous organs. The meticulous management of anesthesia by Dr. Leno and Dr. Nimisha, coupled with postoperative care in the ICU and HDU, ensured a holistic and successful recovery journey. The postoperative findings revealed that the mass weighed a staggering 1.3 kg and was identified as Renal Cell Carcinoma (RCC). The patient's remarkable recovery speaks volumes about the dedication and tireless efforts of our medical fraternity. The patient, now on her way to recovery, has returned home, surrounded by the warmth of her loved ones.

Incredible Achievement by Dr. Anish George Paul and Pediatric Gastroenterology Team

A remarkable success story unfolded at Believers Church Medical College Hospital as Dr. Anish George Paul and his Pediatric Gastroenterology team achieved a remarkable feat in saving an 8-year-old child with Attention Deficit Hyperactive Disorder and seizure disorder. The young patient had ingested two AAA batteries, presenting a critical situation that demanded urgent intervention and expertise. The expertise and skills of the medical team were put to the test. Through meticulous planning and flawless execution, the battery lodged in the stomach was successfully removed using a large snare. The procedure, performed at 10pm, was a testament to the dedication and unwavering focus of the medical professionals involved.

This extraordinary achievement was made possible through the collective efforts of various departments and individuals. The anesthesia team, led by Dr. Roshan, played a crucial role in ensuring the patient's comfort and safety. The OT team, adult gastroenterology team, and endoscopy team members, Basha and Bibin, worked seamlessly together to provide the necessary support. The journey of saving this young life was a testimony to the hospital's commitment to providing excellent medical care. It demonstrated the hospital's ability to come together as a united force, bringing their expertise and dedication to the forefront to achieve remarkable results.

Independence Day Celebration @ BCMCH

Independence Day is a time of celebration and reflection, and at Believers Church Medical College Hospital (BCMCH), we come together to commemorate the spirit of freedom and unity. This year's Independence Day celebration promises to be a memorable event, marked by patriotic fervor and a sense of community. To conclude the celebration on a sweet note, Rev. Fr. Sijo Pandappalli, Manager, will distribute sweets,

symbolizing the sweetness of freedom and unity. As we gather to celebrate Independence Day at BCMCH, let us remember the sacrifices of our freedom fighters and renew our commitment to building a strong, united, and prosperous nation. Your presence and participation in this event are highly valued as we come together as one community to celebrate the essence of freedom.

Congratulations Team Jordan! ECALAT 2023 QUIZ winner

What an incredible achievement! Your exceptional performance in the quiz competition at #ECLAT2023 has truly set you apart as #QuizChamps. Your dedication, knowledge, and teamwork have undoubtedly paid off, and your victory is well-deserved. May this

achievement be a stepping stone to even greater accomplishments in the future. Your victory serves as a reminder that with determination and collaboration, you can overcome any challenge.

Embracing Generosity: Bringing Joy to the Inmates of the Old Age Home

The 10th Foundation Day of Believers Church Medical College Hospital is a celebration of dedication, commitment, and a promise for the future. We invite you to be part of this momentous occasion, as we reflect on our journey, acknowledge our accomplishments, and set our sights on a future filled with

promise & possibilities. Your presence is not just an acknowledgment of the past, but a commitment to the future of healthcare excellence. Let us come together to honor the past, celebrate the present, and embrace the bright future that awaits us. With gratitude & anticipation

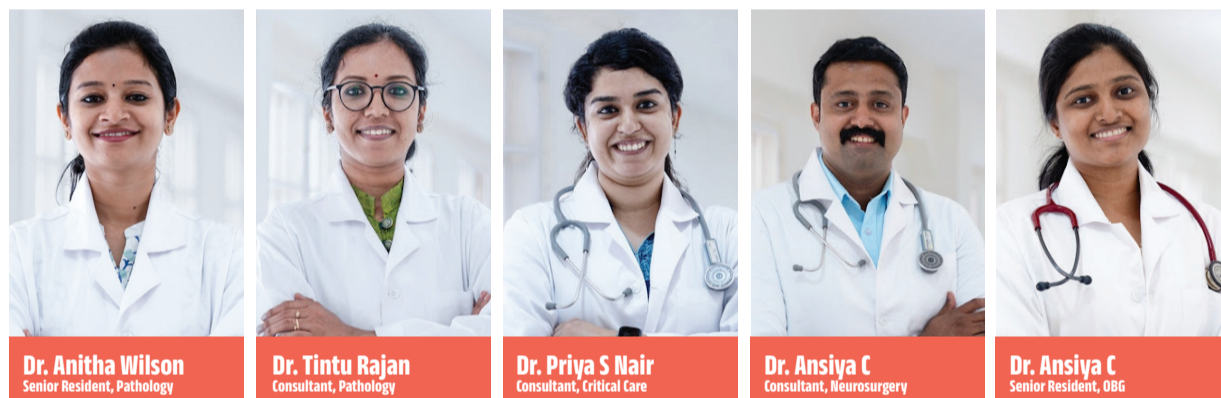

Breaking News: Liverpool Medical School Students at BCMCH

We are excited to announce that our hospital has had the privilege of hosting three bright undergraduate students from Liverpool Medical School for the past three days. This valuable experience has been made possible through their elective rotation with our Plastic Surgery Team, led by Drs. Deepak and Joyal. These enthusiastic students have chosen Plastic Surgery as part of their elective rotation, seeking to broaden their medical horizons and gain practical experience in this specialized field. Their time with us has been focused on enhancing their understanding of Plastic Surgery techniques, patient care, and surgical procedures.

As these students continue on their educational journey, we hope that the knowledge and experiences gained during their time here will serve as a foundation for their future endeavors. We wish them all the best in their studies and commend their dedication to pursuing excellence in the field of medicine. Stay tuned for more updates and collaborations as we continue to uphold our commitment to excellence in medical education and compassionate patient care. Thank you to the Liverpool Medical School students for being a part of our medical community for these past few days. We are honored to have had you with us!

Warm Welcome to the BCMCH Team

As we extend a warm welcome to you, we also invite you to witness the dedication, expertise, and care that define our institution. The journey towards better health begins here, where skill meets compassion, and innovation meets

tradition. Together, we strive to create a healthier and brighter future for all

Exciting News Update: MD Examination & NMC Inspection Success! First MD Examination

Believers Church Medical College Hospital is thrilled to share some wonderful news with our community. The recent MD Pathology examination and NMC (National Medical Commission) inspection have concluded successfully, thanks to the dedication and hard work of our entire team.

With the grace of God and the combined efforts of our faculty, staff, and students, the MD Pathology examination was conducted smoothly. This milestone marks a significant achievement for our institution, reflecting our commitment to providing quality medical education and fostering academic excellence.

The NMC inspection is a crucial evaluation that ensures we adhere to the highest standards of medical education and patient care. We are proud to announce that the inspection went exceptionally well, showcasing our institution's dedication to maintaining and enhancing our educational and healthcare standards.

We would like to specially recognize the Department of

Pathology for their significant role in conducting the MD examination. The support and guidance from the Principal and her team have been instrumental in achieving this success. A big shout-out to Jomon and our IT department, Robert and our transportation team, and Binoy and our catering team for their exceptional contributions to the smooth functioning of the events.

Once again, a sincere thank you to all members of the Believers Church Medical College Hospital community who played a part in making the MD examination and NMC inspection a resounding success. Your dedication and commitment are the driving forces behind our accomplishments.

We look forward to building upon these achievements and continuing to provide exceptional medical education and patient care in the future. Your unwavering support inspires us to aim even higher, and together, we will continue to make a positive impact on healthcare and education.

Celebrating the Achievements of Our Stars! Neet PG Exam Results

It is with immense pride and joy that we share the wonderful news of the remarkable achievements of our own shining stars: Dr. Cathleen Theresa Jacob, Dr. Cinderella Xson, and Dr. Ram

Bhaksar. These exceptional individuals have earned their PG admissions in the most prestigious medical colleges across India, marking a significant milestone in their medical journey.
