ISG KERALA CHAPTER MEET

Team BRIGHT (Believers Regional Institute of Gastroenterology, Hepatology and Transplantation) and the Gut Club Thiruvalla, co-hosted the Midterm conference of the Indian Society of Gastroenterology Kerala Chapter on September 17, 2017 at the Contour Convention Center, Changanacherry. The theme of the conference was 'Controversies in Gastroenterology and Hepatology.' Prof. Dr. Elwyn Elias, leading Liver Transplant Hepatologist from the Queen Elizabeth Hospital, Birmingham, UK, Prof. Dr. Uday Zachariah and Prof. Dr. N K Shyam Kumar from CMC Vellore, were the main guest speakers. Gastroenterologists from leading centers in Kerala delivered excellent talks and addressed controversies in the field. There were 2 exciting debates and guest lectures. Over 180 delegates participated in this academic extravaganza.

FOURTH FOUNDATION DAY

'I will give thanks to you, LORD, with all my heart; I will tell of all your wonderful deeds' – Psalms 9:1

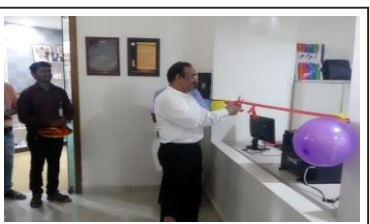

Believers Church Medical College Hospital has marked the history by entering into its fourth year of establishment, with an exponential growth. Our God Almighty has led us in ways beyond our imagination for the past 3 years and He continues to shower His abundant mercies towards us. The fourth Foundation Day Celebrations started off with Thanksgiving to the Almighty, which was led by Bishop Joju Mathews, accompanied by our fantastic BCMCH choir, in the chapel. This was followed by the public meeting, held in the ladies hostel quadrangle. This time we honored the GEMS of our Institution with the new Gem awards. Also the prizes were given away for the ECLAT II winners. Dr. John Valliatt, Associate Director delivered the Foundation Day Oration in the Amphitheatre.

As part of the celebrations, all departments shared the memories of their origin – from their very first day with the BCMCH family, thus providing an excellent opportunity for the public and the staff to walk down the memory lane of BCMCH. We take this opportunity to convey our gratitude to all the departments for putting so much effort into setting up the stalls and thus taking our Foundation Day celebrations to the next

OPTICAL SHOP INAUGURATION

The grand opening of the Believers Optical Shop, an initiative of the Dept of Ophthalmology, was held on September 12, 2017 in the Agape Gift shop, which was inaugurated by the department head, Dr. Satish Thomas, who said " It is a dream come true moment for our department". The inaugural was held in the presence of Dr. George Chandy Matteethra, Director – Principal, Rev. Dr. Daniel Johnson, Director-Medical Missions, Dr. Mohan Verghese, Asso. Director, Mrs. Mini Sarah Thomas, CNO, and Rev. Fr. Thomas Varghese.

LAUNCHING OF ECHS

As part of our mission, we have decided to serve the people who had volunteered to serve our Nation from their younger age - the Ex-servicemen community. Dr. George Chandy Matteethra, Director – Principal launched the Ex-servicemen Contributory Health Scheme (ECHS) on August 24, 2017. From now on BCMCH will provide both IP and OP treatment to this community as per the scheme.

ONAM CELEBRATION

BCMCH celebrated the cultural festival, Onam on September 02, Saturday. The large and beautiful flower carpet was set up in the Central Courtyard. Staff of all departments came together to celebrate Onam in traditional wears.
